To: The Knox County Commissioners
62 Union Street
Rockland, Maine 04841

We, the undersigned, respectfully request that the Knox County Commissioners review and overturn the action taken by the Vinalhaven Board of Selectmen, on Monday, September 28, 2015, to close Zeke's Point Road, from the Land Trust parking lot to the terminus of said road.

We feel it causes unnecessary hardship, for the property owners beyond the parking lot and their agents. With the road remaining closed and unplowed, police, fire, and ambulance will not be able to respond in a timely manner, to any emergency at one of the many existing summer estates or at any construction site.

Respectfully submitted by the following Vinalhaven registered voters on this day 19th of October 2015.

Dear Andy,

This letter is to recognize that there was a town meeting and vote on September 28, 2015 considering road closures for plowing this upcoming winter, and to request that the vote be changed.

I was out of town and unaware of this meeting, I live on Crockett's River Rd and am year round tax paying resident. There was no one at the meeting to represent me and vote to keep Crockett's River Road plowed and maintained during the winter; thus it was voted to maintain the road only to Long Cove Road. Long Cove Road is one tenth of a mile before my driveway, therefore my property will be inaccessible during the winter in the event of snow. I need the road kept open in the event of an emergency, as well as to be able to live here during the winter.

Thank you,

Sincerely, Sylva M. Lacey
